

INT.BATHROOM-NIGHT

FELICIA(V.O)

Silence is comfort,
Some may say,
Obsession is the sound
Of being haunted.

FELICIA, 31 Wipes her face, using a cotton round while the water runs freely from the faucet. Felicia prepares for slumber. Dressed in a silk black robe and night gown, she hums a soft tune. Suddenly she hears her cellphone rings and glances down at her cellphone placed on the bathroom sink. The call displays as private. Felicia pauses but answers.

FELICIA

Hello...

(pause)

Hello...

(pause)

Helloo, Hmm.

Felicia shrugs her shoulders confused, then hangs up her cellphone and continues to clean her face.

BLINK TO BLACK.

EXT. OUTSIDE BUILDING-DAY

FELICIA (V.O.)

Being alone comes with sacrifice,
while those who lurk in shadows
wait.

Felicia looks around in paranoia, her intuition warning her she is being watched. Her cellphone rings once again. She looks down at her phone, this time annoyed and frustrated.

FELICIA
Hello, Look, whoever you are please
stop calling me, dammit!

BLINK TO BLACK.

INT. LIVING ROOM-NIGHT

Felicia runs to the front door in a panicked state. The door is cracked open just slightly. She slams the door quickly and presses her back against it, breathing heavily as her hand trembles gripping her cellphone. Her body freezes in terror, as she looks around frantically. Felicia's cellphone rings. She looks down, answers the call and slowly places cellphone to ear.

STALKER EX, 34
I found you.

FELICIA
No, Please leave me alone!

Felicia attempts to hold onto the door, body exhausted. Her cellphone drops with a loud thud, as her legs weakens to the floor. She cries out in agony while placing her entire face into palms.

FELICIA (V.O.)
It's over you might think.
Relief is just a wish.
When there's no invite.
